The International Society for Computational Biology (ISCB) Student Council cordially invites your esteemed company to partner with us in supporting the ISCB-LATAM SOIBIO CCBCOL 2024, by sponsoring the ISCB 6th Latin American Student Council Symposium 2024 (LASCS 2024).

The LASCS 2024 serves as a platform for emerging scholars and young researchers (PhD students & Junior Postdocs) in the field of Computational Biology and bioinformatics to meet, present their work in front of an global audience, build a network within the computational biology community and obtain opportunities that can contribute to the development of their scientific career.

As previous, the upcoming ISCB Latin America Student Council Symposium presents a remarkable chance for Latin American students to come together and connect, regardless of location.

THE EVENT WILL BE HELD ON NOVEMBER 12TH 2024

The Latin American Student Council Symposium of the International Society for Computational Biology attracts students interested in bioinformatics and computational biology from Latin America and all over the world!

WHY SPONSOR THE LASCS 2024?

We believe that engaging with the corporate world is an essential aspect of every student's education, and now is your chance to provide them with that valuable experience. This is also an excellent opportunity to increase the visibility of your company and create links with the researchers of tomorrow. As a sponsor, there are several opportunities for you and your company to make yourself known.
